

FAQ

What is Sidewalk Saturdays?

Sidewalk Saturdays is a celebration of local community and collaboration as local brands, artists, and musicians come together to share their craft on the sidewalks of Downtown Phoenix.

When is Sidewalk Saturdays?

This is a seasonal market that takes place on Saturdays from 9 a.m. - 2 p.m. outside The Churchill in Downtown Phoenix. At this time we have space for about 15 vendors with intention to expand to more locations in the neighborhood.

How do I become a Vendor?

You can apply to become a vendor for the upcoming market dates at www.sidewalksaturdays.com

Who can be a vendor?

We give preference to artisans in Arizona. Food and beverage vendors are limited but we do welcome pastry and dessert vendors to apply.

I filled out an application, but I haven't heard back. What's up with that?

We are so grateful for an increased interest in this small market and we do our best to reply to all applicants. If you filled out an application and have been accepted into the market, you will get a confirmation email and a welcome letter from our market coordinator with details about the upcoming market. You are welcome to email us at anytime with questions at sidewalksaturdaysphx@gmail.com

I filled out an application for the last market, do I need to reapply for future markets?

Yes, every season requires a new application!

What are the vendor fees and requirements?

Vendor fees are \$55 per vendor/per market.

All vendors must provide their own set up, which includes an 8ft table (max), small display, and umbrella. For the sidewalks outside of The Churchill we do not allow tents due to limited space.

Do I need to bring my own table?

Yes!

Do you have tents or umbrellas available?

Unfortunately, we do not have umbrellas available for everyone which is why we strongly encourage you to invest in your own for market attendance. The sidewalk does not offer enough space for each vendor to bring a pop up tent and therefore we ask that you only bring your table + umbrella.

Do I need to have an EIN number?

That's ideal!

Do I need to have a TPT License?

As long as you're selling a good or service in Arizona, whether or not you have employees, you need to have a Tax Privilege Transaction number to set up for Sidewalk Saturdays. Find more information [here](#).
